ACCOLADES FOR FUTURISTI!

“Just wanted to congratulate you on a great show! I took my husband last night to see FUTURISTI and he loved it and he is very picky so big kudos there. We loved it all but especially the vacuum cleaner dance (of course I would love this) and the scenario with the 2 servants- keep it up!! **Very refreshing**... and while I was waiting in line for the women's room a woman struck up a conversation with me about how she regretted not making her son come with her as it was such a great show. [...] Kudos and **keep this kind of theatre alive**. [...] So happy for you and it was great for our students to see it! “

- **Catherine Burnett (Movement Professor Department of Theatre, UBC)**

“It was **marvelous!** I very much enjoyed the selection of playlets, the humourous Italian script, and the excellent acting. Congratulations... I hope you were as pleased with Futuristi as was your audience, which, by the way, was very energetic and engaged. “

- **Nancy Gallini**

“I had a blast last night. Lots of energy, tons of fun, yes, **weird**, but the good type of weird...fabulous cast... “

- **Lisa Ann Beley (Sessional Instructor Voice, Department of Theatre, UBC and SFU)**

“My friend and I had a WONDERFUL time at the show last night. **You guys are way too funny**. I LOVED the vacuum scene, just to mention one.”

- **Connie Hardie Management Inc. (Film and TV Agent)**

What a great evening in the theatre last night! **I had no idea what was going to happen next**. Everyone was brilliant. Strong cast, direction and hilarious! [...] one of the most exciting evenings of theatre I've seen in a long time. It was crazy and an event with some very funny performers. [...] It was unlike anything I've seen. Reminded me of the Number 14. - **Dave Mackay (Professional Actor and Theatre Professor)**

“My Mom & I came to your play in October – it was so GREAT! **I hadn't seen anything like it** live before. There was laughing, bits of contemplation, a little translation, occasional head scratching and mainly just being really well entertained by it all. So creative. You were amazing. You have so much energy and character on stage that radiates out. It was a sold out performance – **I'm sure you could have played for weeks and had a full house.**”

- **Danae (Audience member)**

“Loved the show... loved the makeup...**excellent touch to a show from the early 20th century.**“

- **Andy and Laurie (Audience members)**

“**It was amazing!** ...it was so funny and interesting, really absorbing, and the staging with the projections and use of the curtains and sound was great. i really liked the plain sets and costumes, the audience was really able to concentrate on what was going on in each piece, rather than being distracted by embellishments. [...] I loved the whole thing...you should have heard ian, laughing the whole time-- he really likes Monty Python and that kind of thing, so the absurdism was right up his alley.

He's not a theatre-lover, so it was pretty telling how much he enjoyed the evening [...] **Best I've seen in forever.**”

-**Maryke and Ian (Audience members)**
